"SPEC-DOR®" a division of A.T. Special Doors inc owned by Alexander Timoschuk

About Spec-Dor

We manufacture custom, cost-effective, quality sliding hangar doors with efficiency and quality in mind.

We help your project meet all of your needs by offering support to you **every step of the way** from the conception of the hangar to reality.

Innovative Interface Integration

Through our specialized i³ process, we assist you by coordinating with contractors, architects, and builders to integrate our custom specialty doors to ensure a quality hangar that will please your end-user.
